*“It behooveth the people of Bahá, throughout these days,
to provide good cheer for themselves, their kindred
and, beyond them, the poor and needy,
and with joy and exultation to hail and glorify their Lord,
to sing His praise and magnify His Name.”*

*They are days of hospitality, charity, and the giving of gifts.
Just as the infinite reality of the divine Essence of God is unbounded
and cannot be captured or comprehended within the cycle of time
or any other human measurement,
so it is that these extra days, Days of the Divine Essence,
stand apart from the ordinary cycle of weeks and months
and the human measure of time.
They are days outside of time, days that symbolize eternity, infinity,
and the mystery and unknowable.*
